Ethical Leadership & Mentoring Programme

Get the **support, skills** and **personalised mentoring** you need to grow as an ethical leader and take confident steps toward your future.

Equipping Young Black Leaders through Ethical Leadership Training & Mentoring Programme

About the Programme

The **Ethical Leadership & Mentoring Programme** is a **12-week** experience with weekly development sessions for young adults aged **16–30** in **Lewisham** (and Greater London).

Our mission is to equip young Black leaders and other under-represented groups with the values, mindset, skills, and support to thrive in their careers, communities, and personal lives.

The Programme will be offered to **12 ambitious mentees** who want to grow and step confidently into their future.
